PAM – Your Personal Account Manager for Online Banking

Convenience

PAM enables you to do your banking on your own schedule, 24 hours a day, 7 days a week. And while you can still visit any of our branches, PAM offers daily banking from the convenience of your own computer.

Ease

Need to check on an account balance, review loan activity, verify a deposit, see or print a cancelled check? With PAM you can do all this in a matter of minutes from any Internet-ready computer within the United States. Just sign in with your unique Access ID and Password, and begin using PAM right away. You can also easily download or upload recent transactions into your personal finance program, such as Microsoft® Money or Quicken®.

Security & Privacy

At Fremont Bank, we take the security of your financial information very seriously. We take pride in the fact that we offer a state-of-the-art secure system. Your browser must support 128-bit encryption in order to ensure a protected environment. We recommend that you use Internet Explorer version 6.0 or greater, or Netscape Navigator version 7.1 or greater.
